Script	Script is complete. It is clear what each actor will say and do. Script stays on topic and uses clear, scientific language. Script is quite thoughtful and professional.	Script is mostly complete. It is clear what each actor will say and do. Script shows planning and mainly stays on topic using topic appropriate language.	Script has a few major flaws. It is not always clear what the actors are to say and do. Script shows an attempt at planning, but seems incomplete.	There is no script. Actors are expected to invent what they say and do. Little to no effort is shown in the planning of script.	
Teamwork	Students meet and discuss regularly. All students contribute to the discussion and all are listened to respectfully. All team members contribute a fair share of the work.	Students meet and discuss regularly. Most students contribute to the discussion and are listened to respectfully. All team members contribute a fair share of the work.	A couple of team meetings are held. Most students contribute to the discussion and are listened to respectfully. Work is shared fairly.	Meetings are not held AND/OR some team members do not contribute a fair share of the work.	
Concept	Team has a clear grasp of their topic. Each member can accurately describe their topic in detail and explain the relating principles. Concepts of topic are covered completely and accurately in final product.	Team has a fairly clear picture of their topic. Each member can describe the concept(s) they are covering overall but has trouble with some details. Topic is covered in the final product with few missing details.	Team has brainstormed their concept, but no clear focus has emerged for the team. Final product relates to teams topic but does not accurately cover it.	Team has spent little effort on understanding the topic. Team members are unclear of topic and final product does not show any understanding of concept(s).	
Research	Group has at least 3 reference sources, developed a deep understanding of their topic based on their sources, and correctly cited their sources. Team has gone to the effort to find information not covered in class.	Group has at least 3 reference sources, developed a clear understanding of their topic based on their sources, and correctly cited their sources. All reference information is accurate and relevant.	Group consulted at least 2 reference sources, developed a basic understanding of their topic based on their sources, and correctly cited their sources.	Group has less than 2 sources, it is clear the group has not developed an understanding of their topic, sources are incorrectly cited. Information used is irrelevant or incorrect.	
Video Quality	Final video's picture and sound are clear and pleasing. Final product is entertaining and easy to follow. Group's video feels and looks professional. Great effort was clearly put into the production.	Final video's picture and sound are clear and pleasing. Final product is entertaining with smooth transitions. Video has professional qualities. Group's collective effort is clear in the production.	Final video's picture and sound are clear. Final product is fairly easy to follow but little creativity is evident. Video lacks professionalism. Some effort was put into the production quality.	Final video's picture and/or sound are unclear. Final product is hard to follow and shows little to no creativity. Video lacks professionalism. Little effort was made in the production.
